Weekly Newsletter

Friday 8th March 2024

Mr Cooper and Mr Gardiner's Message

Hola and Happy Friday!

Knavesmire has enjoyed another fantastic week this week. The children (and I'm sure parents) pulled out all the stops with their costumes for World Book Day yesterday - it was brilliant to hear about such a wide variety of reading and interests represented!

Year 6 pupils have had a particularly exciting week both in Barcelona and in York. I think it's fair to say both students and staff alike will enjoy a very well deserved and restful weekend ahead.

Year 5 have now completed their Bike Ability training with a flourish and we hope they go onto enjoy the increased confidence that this will have provided.

Although we only have two weeks left there is plenty to look forward to. Next week we look ahead to the Knavesmire's Got Talent performance and the week after the Year 3/4 performances of Mary Poppins. In sport, we have hockey events, a dodgeball tournament and a panathlon competition, which some children are taking part in. There are also several trips to look forward to including Reception and Year 1.

Have a great weekend.

Señores Cooper y Gardiner

WHOLE SCHOOL INFORMATION

FREE SCHOOL MEALS AND THE KNAVESMIRE OFFER

If your family qualifies for free school meals (aside from the universal free school meals for Reception, Year 1 and Year 2) you will also qualify for The Knavesmire offer. This means, in addition to free school meals, families can be provided with:

- a school jumper **or** a school cardigan
- **a school footwear voucher**
- School milk
- **one term free swimming travel costs**
- two half-terms of free extra-curricular club participation
- **free school trips**
- negotiated costs for residential visits

Please come to the school office for a form so we can order your child's jumper/cardigan, shoe voucher and milk.

FREE SCHOOL MEALS ELIGIBILITY

Free School Meals are automatically applied to all children in Reception, Year 1 and Year 2. This entitlement can be extended to children where families are in receipt of certain benefits and earnings do not exceed a threshold. These benefits include:

Universal Credit, Income Support, Income-based Job Seeker's Allowance, Child Tax Credit (but not Working Tax Credit)

North Yorkshire County Council have launched an online portal for free school meal applications that will give you an instant decision on whether your application is successful:

<https://www.northyorks.gov.uk/free-school-meals>

COMIC RELIEF

Please see separate communication about events in school. Donate by following this link to our page:-

SCHOOL OFFICE MESSAGES

*Please remember to include your child's full name and class when sending messages to school to ensure that we can direct them to the right people.

*If your child is not in school first thing, please remember to inform us of their lunch choice before 10.30am. Children will always be fed but this ensures they get the meal of their choice.

WHOLE SCHOOL INFORMATION

SCHOOL LIBRARY

Thank you to all children (and staff!) who got involved to make yesterday's World Book Day such a success!

The Library will be painted during the Easter Holidays. In preparation for this the **Library will close for the term from Friday 15th March**. Please can **ALL Library books be returned** by this date?

The School Library is open to children with their parents/carers every day after school 3:15-4pm (3:15-3:30 for browsing only). Children can use this time to borrow and return books as well as use the library for quiet reading during this time.

CLOTHES BANK

Our fundraising and recycling clothes bank is situated at the entrance of the car park to the rear of the school. Please click on the following link to see Mrs Wogan-Wells from Y6 explain a little more about how it all works.

<https://online.fundraiserecycleltd.co.uk/bank?bankId=KnavesmirePrimary-School>

Please use the facility to donate any unwanted clothes.

REFUGEE APPEAL

THE WINTER CLOTHES AND SHOES NEEDED APPEAL IS UP AND RUNNING AGAIN. Donations for all age groups will go to the refugee home in Bradford. Please drop any donations into the school office foyer. Please make sure all donations are as good as new or new, washed and clean. There is no capacity to wash once donated so this is really important. Underwear and toiletries including sanitary items are always needed and have to be new. Donations for men in particular are harder to get and most needed. Thank you so much!

ICE PACK AMNESTY

We are running very low on ice packs - can we please ask that any ice packs which have made their way home are brought back to the School Office. Please check bags and bookbags for the strays!

"The books transported her into new worlds and introduced her to amazing people who lived exciting lives."

HEALTH AND WELLBEING

NITS

Please be extra vigilant in checking your child's hair, there have been numerous cases throughout the school.

SCHOOL MILK

If you want to register your child for school milk, simply visit www.coolmilk.com/register

LOST PROPERTY

Tis the season of the lost gloves and hats. We appreciate they're often hard to name as they lack labels. But in an effort to reunite as many as possible, all missing woolly things will be placed in the gazebo in a tub for as long as possible before they go mouldy.

Please check the Friends of Knavesmire Facebook page to view any valuable #lostandfound items. Any pieces of unnamed uniform are either recycled into the clothes bank or added to the Friends clothes rail in the office and sold to raise funds for the school.

YEAR GROUP MESSAGES

NURSERY MESSAGES

Hello Nursery!

What a lovely week we've had! We've been zoning in on the planets of our solar system and the children have blown us away with their space knowledge!

We've looked at the different features of each planet and worked on ordering them correctly. We've also looked at the job of an astronaut and the important things that they need to work safely in space!

In maths we've been looking at number recognition and in phonics we've focussed on spotting rhyming words!

We hope that you all have a fabulous and fun weekend,

Miss Copping and the Nursery Team ❤️

RECEPTION MESSAGES

Happy Friday!

This week in Phonics, we have been reading words with two or more digraphs in them. In Literacy, we have been identifying mistakes within instructions. Afterwards, we had a go at re-writing them correctly! We also explored the use of capital letters for names and using them at the start of sentences. We introduced how different letters look as capital letters. In maths, we explored the numbers 8, 9 and 10. We identified the different representations and compared quantities. For our final maths lesson, we looked at conceptual subitising to 10. This helps us to identify smaller groups of numbers within larger numbers. During Forest School, we used lots of different natural materials to make magic potions with special superpowers!

Have a lovely weekend,
The Reception Team.

YEAR 1 MESSAGES

This week, we have found out about Amelia Earhart and her solo journey across the Atlantic Ocean. In English, we have been learning about explanation texts in preparation for writing our own and in Maths, we have been measuring the length and height of objects using non-standard units.

Next week we will be finding out how vehicles have changed over time and we are looking forward to seeing some vehicles from the past when we go to The National Railway Museum. We still need another helper for our trip on Wednesday. Please let us know if you are able to help out between 9:30am and 12pm.

Have a lovely weekend from the Year One team.

YEAR GROUP MESSAGES

YEAR 2 MESSAGES

Year 2 have had a super hard-working week doing our termly quizzes and we just wanted to say well done to everyone for working so hard and trying your absolute best with these! Next week we will be continuing with our topic of time, looking at being able to tell the time to 5 minute intervals.

In English we will be starting to look at persuasive adverts, thinking about how we would sell our own chocolate bars. We are looking forward to answering some more of our big idea questions and beginning to design our own chocolate bar next week, to complete our end goal in week 5! Our library session is on a Thursday morning and we will be returning books next week ready for them to be sorted over the Easter holidays, please remind your child to return them in this session on Thursday.

A final reminder that our forest school dates have changed slightly to accommodate our morning in Rowntree's Park in week 5.

Have a great weekend!

The Year 2 Team.

YEAR 3 MESSAGES

We have designed, made and evaluated our kites this week and we had a brilliant time testing them out on the playground!

During our English lessons, we have looked at the features of direct speech and how to use it in our writing.

We have started something new in maths (statistics) and we have focused on tally charts and pictograms.

Maths homework is ONLINE linked to pictograms and tally charts. The X table quiz will be on the 8x table again! Spelling homework will be more Year 3 common exception words this week. We will be doing our big half termly spelling quiz next Thursday and these words (along with the words from last week) will form part of this quiz.

Have a great weekend, The Year 3 Team.

YEAR 4 MESSAGES

This week, Year 4 impressed with their resilience and determination as they completed maths and reasoning assessments. In between assessments, they made creative and informative presentations based on their independent research of life in the 1900s as a comparison with today.

In Writing, we have continued our studies of persuasive writing, transferring what we have learned about persuasive leaflets into our own writing about a special Harry Potter event we want to advertise to Harry Potter fans.

There has, of course, been plenty of time spent on the play, as we have polished dance routines, rehearsed scenes and prepared props. You should have received a communication about your child's costume for the play and we would greatly appreciate your help in putting these together so that the children can look and feel the part.

Well done to all children in Year 4 for their hard work during this very busy week!

YEAR GROUP MESSAGES

YEAR 5 MESSAGES

Year 5 have had another exciting week - completing their Level 2 Bike Ability training! The children have been working incredibly hard to challenge themselves by learning new skills and applying them to a variety of situations.

The children have also been working very hard to complete a number of assessments in Reading, Writing and Maths. In Writing lessons, the children have finished their narratives, completed their first drafts, edited and have now begun to publish their narrative introductions.

In P.E, the children have continued their unit on Tag Rugby, focusing on movement and passing before they advance onto tackling in the coming weeks.

In Big Idea, Year 5 learned all about Anglo-Saxon settlements and how they compared to other settlements such as Roman settlements. In addition, they looked at food and drink consumed during Anglo-Saxon times and even had a go at making their own!

If you have any questions or queries about anything at all, please don't hesitate to ask a member of the Year 5 team. We're always happy to help!

We hope you have a lovely weekend! The Year 5 Team.

YEAR 6 MESSAGES

Year 6 have had the most amazing week, both in Barcelona and here in York. The children have been exceptional all week and we could not be more proud of them.

We'll catch up properly next week!

The Year 6 Team

THE SCHOOL HOUSE MESSAGES

The School House has been super busy this week! It started with a visit from the North Yorkshire Police who came to talk to the children about the role of the Police and how they can help. The children got a chance to ask lots of questions, try on their uniform and even go in the Police van! We would like to say a big thank you to them for coming into school because it was really enriching for the children.

On Wednesday, we had a visit from a member of York's Jewish community. She spoke to the children about Judaism and the children got a chance to ask lots of questions. This was part of our Big Idea which is all about religions and it was great for the children to understand the range of religions that are followed in York. Next week, we will be going to York's Mosque to learn more about Islam.

In English, the children have been busy writing acrostic poems about their special places. Our special places range from Rowntree's Park to water parks in Tenerife! We are really looking forward to reading these to you at our School House celebration on Friday 22nd March! As always, if you have any questions, please come and chat to us.

Have a wonderful weekend, The School House Team

For families with disabled children

Contact is the national charity supporting parents and carers of children and young people with additional needs.

They have shared with us a new short animation which tells you all about Contact in around one and a half minutes.

Contact hope to use the animation to help raise awareness of the different ways the charity can help so that more families get in touch with them to find the information, support and advice they need. This may prove a useful point of contact for you, particularly if you are awaiting support from SENDIASS as their case lists increase

Find out more about Contact and all the ways they can help families with disabled children.
