### Principles of SPG

#### Sports Premium

Sports Premium Funding designed to raise the profile of sports and healthy lifestyles for pupils, creating a legacy in schools. Ofsted assess and report on how effectively this funding is being used to improve PE and sport provision making a judgement on the quality of Leadership and Management. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport, so that all pupils develop healthy lifestyles and reach the performance levels of which they are capable.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport its offers.

This means that we should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

### **Our Principles**

- Increase pupil engagement in sport
- Target vulnerable pupil groups and increase participation in developing active lives
- Identify and develop sporting talent
- Promote healthy life-styles
- Engage in partnership with community sports clubs
- Develop academic success through identifiable correlation between pupil participation in sports and engagement with academic ambition

### **Provision**

This year Knavesmire Primary School will receive a Sports Premium Grant of £19,550 (£16,000 lump sum plus £10 per pupil) and will use the fund in further raising the standard of our sports provision. This will include:

- Additional 'excellent' sports practitioners
- PE top-up equipment
- Targeted PE resources
- Sports Kits for KS1 & KS2 teams
- York School Sports Partnership competition package
- Teacher CPD
- Extra sports clubs for pupils

- Enrichment
- Lunchtime/playtime active resources

The table below broadly outlines the areas of funding as a percentage of the total PPF income:

## Measuring the impact of SPG spending

### Reporting

It will be the responsibility of the Head, or a delegated member of staff, to produce regular reports for the Governing Body of:

- the progress made towards impact on target areas

- an outline of the provision that was made since the last meeting.
- an evaluation of the cost effectiveness, in terms of the progress made by the pupils receiving a particular provision, when compared with other forms of support.

The Governors of the school will ensure that there is an annual statement on how the Sports Premium funding has been used to address the issue inactive pupils and the promotion of healthy lifestyles. This task will be carried out and will appear on our school website (DFE funding impact document).
