

Knavesmire Primary School E-Safety Newsletter Updates - Summer 1, 2023

Friday 26th May 2023

This is the fifth e-safety newsletter of the academic year of 2022-2023. Each half-term, we share an e-safety newsletter with you to provide support and guidance on keeping your child/children safe online.

Online games can be a great way for children and young people to socialise and stay connected with friends and family, but it's important that they can play safely.

Top Tips for your child to play games safely online:

1. Check your child has a safe username (e.g. doesn't contain their own, full name).
2. Check what your child is sharing is safe (e.g. no personal details or information).
3. Regularly check and talk to your child about who they are playing with online.
4. Check your child's privacy settings.
5. Ensure your child takes regular breaks.
6. Regularly check for adverts or in app/game purchases.

KS1

S SPEAK
to somebody if you need help.

A ASK
an adult before going online.

F FRIENDS
are real people we know.

E ENJOY
Play, have fun and stay safe.

Internet Safety

Speak to:

If you are worried about anything.

KS2

S SHARE RESPONSIBLY
We all love to share photographs, fun things we're doing and much more.
Be careful what you share and always ask permission if somebody else is in the photo or video.

M MANAGE your PRIVACY
If you're using apps that can communicate with others, turn on privacy.
Only let people you really know follow you unless you've asked permission from your parents.

A ASK for HELP
Don't ever be worried about asking for help from someone you trust.
You will NOT be judged.

R RESPECT OTHERS
Be kind.
Other people may have different opinions from you.
That's okay, but if they become abusive, take screenshots, block and report and tell an adult.

T THINK CRITICALLY
TRUST your INSTINCT
Is it true?
Does that person really know me?
Has that really happened?
Always question!

If anything worries you, or if you need help with something, speak to:

The e-safety posters (above) are displayed, around school, to highlight the fundamental 'stay safe' principles to children whilst they are online. For example, online gaming. It would be advisable to remind your child of these principles whilst they are on online to ensure they are taking care of their safety.
