# Routines

## PE Days

Tuesday morning and Thursday afternoon. PE will take place outside this term. Children must be able to take their earrings out on their own.

## Library

Year 6 library slot is on a Friday afternoon for the children to change their reading book.

## Librarians

Please see Miss Smith in the office at 12.30 this Thursday if you are interested.

# Homework

## Fluency Skills

Spellings and Times table homework will be set on a Friday. We will test the children on their focus spellings and times tables on the following Friday. Tests will be recorded in the back of their homework book.

## Reading

In addition to fluency skills, children are expected to read 4 times over the course of the week. Children can independently record this in their homework diary. All we ask if that you sign their diaries each week as we know lots of children enjoy reading independently.

## Big Idea

Each half term, optional Big Idea homework will be set in the half term's knowledge organiser. We will celebrate this work during our Thursday class assembly.

## SATS Week

SATS 2024 DATES: Year 6 SATs will take place during the week starting May 13th 2024.

Writing SATs work does continue for the following month. They are not the most important thing but they are one of the important things in Year 6 – and they are statutory.

This means no holidays can be authorised in May and June. We do want the children to feel good and do their best.
