## Weekly Newsletter

Friday 7th June 2024

### Mr Cooper and Mr Gardiner's Message

Welcome back, everyone, for the last half term of the school year! Attendance has been good this week and we hope to see this continue through to the summer holidays. Hopefully, at some point, the weather will join in with our enthusiasm for the summer!

This week Year 2 enjoyed a trip to the Great British Seaside, travelling over to Scarborough for a fun-packed day. We were also proud of the Knavesmire Samba Band representing the school on the York Pride march at the weekend. It was lovely to see lots of Knavesmire families at this event.

Thursday saw the second round of the Olympic Bake Off with some spectacular entries from Nursery, Reception, Year 5 and Year 6. The subsequent bake sale was a great success, and thanks goes to FOKPS for organising.

As we move into the second half of the summer term we have a whole host of sporting events to look forward to both in school and around the world.

Thanks for your continued support, as always.

Mr Cooper and Mr Gardiner

# FRIENDS OF KNAVESMIRE UPDATE

What a great second round of the Knavesmire Bake Off we had this week. Thank you so much to all the enthusiastic bakers. Your ideas and their fantastic executions have immensely impressed the judges (and some passers-by as well).

But winners had to be chosen and so our last four Star Bakers are:

Ted Mackenzie (nursery)  
Aidan Atkinson (reception)  
Louis Thompson (Y5)  
Toby Birch (Y6)

You have all done an amazing job and we hope you enjoy your prizes.

And of course also, as always, a massive thank you to everyone who queued and bought the cakes. We completely sold out and over the course of the two Bake Offs made almost £400. What a great turn out.

Don't forget there's a Quiz Night at school next Friday but till then, hopefully you'll all recover from all the cake eating and have a great weekend everyone.

# COOL KIDS CLUB UPDATE

## Mobile Phones

Children are not permitted to have their mobile phones on them whilst at KCKC. We ask that if your child has a phone, they hand it to a member of staff on arrival, and it will be returned to them when they leave.

## Bookings for the Autumn Term

KCKC is changing the way in which Parents book sessions and make payments from September. Information regarding this will be sent out to all Parents soon, so please ensure you keep an eye on your emails for this important update.

# YEAR GROUP MESSAGES

## NURSERY MESSAGES

Hello Nursery!

What a lovely first week back we've had!

We've launched our brand new Big Idea all about the Olympic Games and we'll be sharing more info on that as the half term progresses!

The children are all enjoying more outdoor play as the weather (mostly) improves!

In maths we've been looking at 2d shape and in phonics we've moved onto learning all about digraphs!

We had a visit from the cheeky fairy who had olympics on her mind and the children have continued to work on their name writing.

We hope you have a wonderful weekend!

Miss Copping and the Nursery Team ❤️

## RECEPTION MESSAGES

This week, we have had a great time learning all about the Olympics in our new Big Idea. In maths, we have explored sharing and grouping. In literacy, we have continued to practise our wonderful writing using capital letters, finger spaces and full stops. In PE, we have started athletics! On Thursday, we worked super hard on throwing accurately.

This half term, we are going to be doing a summer performance at Rowntree Park. We will release the date for this soon. Have a great weekend!

The Reception Team

## YEAR 1 MESSAGES

This week, we began our new Big Idea about being an explorer. We learnt how to describe different places by identifying physical and human features. In English, we have been learning how to write recounts and as we were not able to do outdoor P.E. on Tuesday afternoon, due to the awful weather, we followed some indoor fitness videos instead and then wrote a recount about it. In Maths, we have been counting to 100 and reading and writing the numerals. Please make sure P.E. kits are back in school containing everything your child needs for P.E. lessons as we do not have spare kit. It is just over 3 weeks until our trip to Harlow Carr and we still need another helper to accompany us. If you are available to help on that day, please contact the office or speak to the Year One team.

We hope you have a great weekend, from the Year One team

# YEAR GROUP MESSAGES

## YEAR 2 MESSAGES

In Year 2, we practised our measuring skills in Maths where we used different scales such as rulers, weighing scales and thermometers. We also used our measurement knowledge from Maths to measure the lengths we had jumped in PE. Next week, we will be revising our methods for the arithmetic quiz. In English, we are looking at recounts and their features. This week, the children were visited by Fluxtor the alien and were given information about his planet and he asked questions about their own world. The children then wrote a wonderful class recount about the visit. Additionally, we have written our own recount about our amazing trip to Scarborough in the form of a diary. We have started our final Big Idea topic of Coasts and Oceans. We will be comparing Scarborough to The Bahamas. This week we have learnt facts about Scarborough and discussed its human and physical features. The children thoroughly enjoyed our trip to Scarborough and completed activities such as photo orienteering, making beach art out of natural resources and sketching the beach scene. We all had so much fun and the children enjoyed having an icecream on the beach! Next week, we will start Forest School on Thursday morning. Please bring appropriate accessories such as a hat and coat. Have a great weekend!

The Year 2 Team

## YEAR 3 MESSAGES

What a busy first week back we've had in Year 3! The children have completed all of their reading quizzes and have demonstrated some fantastic skills. We are very proud of their hard work and determination. In Maths, we have looked back over some of the topics we've covered this term and practised some of the more trickier questions we've encountered. Next week, we will move on to 2 step word problems. In Big Idea, we have explored countries in the United Kingdom and Europe. The children have each been given a country to follow as part of the Euro 24 football competition. As part of this, they have created a fact file on their chosen country. Maths homework is online this week (MyMaths) and spelling homework (CEW recap) will be stuck in homework books.

If your child doesn't have their homework book in school or it is full, you should find the sheets in their school bag! Next Thursday, 3S will have forest school all afternoon at Rowntree Park. Please make sure that if it is forecast to rain, that suitable shoes and coats are sent in. 3T will go the following week.

Have a brilliant weekend,  
The Year 3 Team.

## YEAR 4 MESSAGES

This week, the arrival of a letter from Jessica Watson (the youngest person to circumnavigate the globe) inspired us to immerse ourselves in explanation texts. Amongst other explanations studied, we have considered the workings of a invention called The Teacher Pleaser Machine! Tea and biscuits here please!

In Maths, we have studied co-ordinates and translations. Children have also started their multiplication checks and are doing brilliantly.

Big idea has seen us undertake a European cruise and a road trip around the USA.

Have a lovely weekend,

The Year 4 Team

# YEAR GROUP MESSAGES

## YEAR 5 MESSAGES

It has been lovely welcoming all our children back to school this week and hearing all about their half terms. Firstly, we just want to say a massive thank you and well done to every single child who went to Carlton Lodge and overcame fears, took risks and faced every activity with a determined attitude - Year 5, you were a credit to yourself, your families and the KPS community! Looking ahead to this term, it is non-stop for our children but what an exciting term to come! This week was no exception, and the children have all completed 'quiz' week, showing off their knowledge and understanding. They have also continued their rehearsals for both the play and Barbican performance. All children should have brought home a letter with their costume idea on for the play - please can these be in school, in a named carrier bag, by Friday 28th June. Please remember next Friday, the children are on a school trip to Harrogate to compete in a mini triathlon held by Brownlee Foundation and are due back to school at 4:30pm.

Thank you for your continued support.

Have a lovely weekend,

The Year 5 Team

## YEAR 6 MESSAGES

Welcome back to our final term! Year 6 have been working hard on their writing and have begun to rehearse for our end of year production, 'Stranger Frequencies', which has been written for us by the wonderful Edwin Thomas. Due to some logistical complexities, our show will now take place in the penultimate week of term, as opposed to our usual final week slot. There will be three performances, which will include a matinee performance and two evenings. Details on tickets for family and friends are to follow.

In terms of costume, the show is set in the 80s, so costumes are relatively straight forward and all creative variations appreciated! Any prop donations (ie. Cardboard boxes!) Would be greatly appreciated, as Mrs Ellerker is looking for any cardboard she can get her hands on.

We hope you all have a lovely weekend,

The Year 6 team

## THE SCHOOL HOUSE MESSAGES

The school has had a fantastic first week back as we started our new (and final) Big Idea, which is 'Every Child's An Artist'. They have loved learning about Kandinsky and Modrian and not only recreating some of their famous pieces but also creating their own artwork, inspired by their style! Next week, we will be looking at the work of Klimt and using lots of gold and glitter to recreate some of his pieces!

In English, we have started looking at the wordless story, 'Journey' by Aaron Becker. It is a beautiful story and we will be inspired by the illustrations to create our own narratives.

As always, if you have any questions, please come and chat to us.

Have a wonderful weekend,  
The School House Team
