## Weekly Newsletter

Friday 1st March 2024

### Mr Cooper and Mr Gardiner's Message

Happy Friday!

We hope you've had a fantastic week. At school, there have been loads of opportunities for our children to engage in fun learning and experience a broad range of enrichment activities. We've taken part in a dance festival, been to Forest School, had visitors from York Cocoa House and had an educational visit to the Minster. Year 5 also began their Bikeability course this week, learning how to ride safely on the roads.

It was nice to welcome parents into school for Parents Evenings this week and we hope you found the time informative. As always, please continue to speak to your child's teacher when you have questions, concerns or things you'd like us to know.

Our Year 6 pupils received their offer for secondary school places today and we know this can be an unsettling time. We know it is helpful to reassure children about secondary school and look to prepare them positively. We will work hard on this between now and July in school to complement the preparation you will be doing at home. Any parents who want to get in touch about concerns, please do so.

The next few weeks of this short half-term continue to be jam-packed with many of our Y6 pupils visiting Barcelona next week, World Book Day coming up and much more.

Have a great weekend.

Mr Gardiner

### WELCOME TO OUR NEW NEWSLETTER

We hope that the new School Newsletter format will prove helpful in better communicating information between school and home.

# WHOLE SCHOOL INFORMATION

## FREE SCHOOL MEALS AND THE KNAVESMIRE OFFER

If your family qualifies for free school meals (aside from the universal free school meals for Reception, Year 1 and Year 2) you will also qualify for The Knavesmire offer. This means, in addition to free school meals, families can be provided with:

- a school jumper or a school cardigan
- a **school footwear voucher**
- School milk
- **one term free swimming travel costs**
- two half-terms of free extra-curricular club participation
- **free school trips**
- negotiated costs for residential visits

Please come to the school office for a form so we can order your child's jumper/cardigan, shoe voucher and milk.

## FREE SCHOOL MEALS ELIGIBILITY

Free School Meals are automatically applied to all children in Reception, Year 1 and Year 2. This entitlement can be extended to children where families are in receipt of certain benefits and earnings do not exceed a threshold. These benefits include:

**Universal Credit, Income Support, Income-based Job Seeker's Allowance, Child Tax Credit (but not Working Tax Credit)**

North Yorkshire County Council have launched an online portal for free school meal applications that will give you an instant decision on whether your application is successful:

<https://www.northyorks.gov.uk/free-school-meals>

## SCHOOL OFFICE MESSAGES

\*Please remember to include your child's full name and class when sending messages to school to ensure that we can direct them to the right people.

\*If your child is not in school first thing, please remember to inform us of their lunch choice before 10.30am. Children will always be fed but this ensures they get the meal of their choice.

# WHOLE SCHOOL INFORMATION

## SCHOOL LIBRARY

The Library will be painted during the Easter Holidays. In preparation for this the **Library will close for the term from Friday 14th March**. Please can **ALL Library books be returned** by this date?

The School Library is open to children with their parents/carers every day after school 3:15-4pm (3:15-3:30 for browsing only). Children can use this time to borrow and return books as well as use the library for quiet reading during this time.

## CLOTHES BANK

Our fundraising and recycling clothes bank is situated at the entrance of the car park to the rear of the school. Please click on the following link to see Mrs Wogan-Wells from Y6 explain a little more about how it all works.

<https://online.fundraiserecycleltd.co.uk/bank?bankId=KnavesmirePrimary-School>

Please use the facility to donate any unwanted clothes.

## REFUGEE APPEAL

THE WINTER CLOTHES AND SHOES NEEDED APPEAL IS UP AND RUNNING AGAIN. Donations for all age groups will go to the refugee home in Bradford. Please drop any donations into the school office foyer. Please make sure all donations are as good as new or new, washed and clean. There is no capacity to wash once donated so this is really important. Underwear and toiletries including sanitary items are always needed and have to be new. Donations for men in particular are harder to get and most needed. Thank you so much!

## ICE PACK AMNESTY

We are running very low on ice packs - can we please ask that any ice packs which have made their way home are brought back to the School Office. Please check bags and bookbags for the strays!

## HEALTH AND WELLBEING

### NITS

Please be extra vigilant in checking your child's hair, there have been numerous cases throughout the school.

### SCHOOL MILK

If you want to register your child for school milk, simply visit [www.coolmilk.com/register](http://www.coolmilk.com/register)

## LOST PROPERTY

Tis the season of the lost gloves and hats. We appreciate they're often hard to name as they lack labels. But in an effort to reunite as many as possible, all missing woolly things will be placed in the gazebo in a tub for as long as possible before they go mouldy.

Please check the Friends of Knavesmire Facebook page to view any valuable #lostandfound items. Any pieces of unnamed uniform are either recycled into the clothes bank or added to the Friends clothes rail in the office and sold to raise funds for the school.

# FRIENDS OF KNAVESMIRE UPDATE

A big thank you to everyone who baked (- we've been told it was very hard to work in the office that morning because of all the amazing smells) and of course also thanks to all those who bought cakes and helped, including all the Y6 helpers - we couldn't have done it without any of you. In the end, we collected almost £250. Absolutely amazing!!!

We hope you're now looking forward to World Book Day next week. If you're still looking for a costume, then maybe have a browse on the rack in the office foyer. And if you have any dressing up items left and want to get rid of then please consider to donate them to us. We would really appreciate it. Have a good weekend everyone and a lot of fun for Y6 in Barcelona next week. Enjoy the sun

## It's World Book Day on 7<sup>th</sup> March

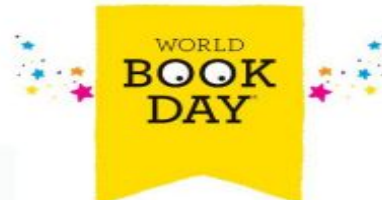

Come and have a look at our WBD rack.

The suggested donation is £2.

And if you have any outgrown costumes or other book character related clothes then please help us out and donate them to us.

We'd really appreciate it.

Many Thanks !!!

## COOL KIDS CLUB

Booking Forms for the Easter Holidays and the Summer Term will be available via the school website during week commencing Monday 4th March.

We remind Parents that once you have submitted your initial form/s, any changes or additional bookings must be submitted by email only. Please do not submit any additional forms.

## NURSERY MESSAGES

Hello Nursery, what a lovely week we've had!

In PE we have been swimming away from sharks and practicing our throwing and catching. In phonics we've been looking at the letter 'u' and in maths we've been working on our matching of numerals to quantity!

We are enjoying learning a little more about the planets and their different properties!

We hope you have a lovely weekend ❤️❤️

Miss Copping and the Nursery Team

## RECEPTION MESSAGES

Happy Friday!

This week in Phonics we have been learning how to read longer words with double letters, such as 'rabbit' and 'ladder'. In Literacy, we have been learning about instructions. The children practised writing instructions to make a fruit salad, using 'bossy words' at the start. In maths, we have looked at odd and even and doubles up to eight. In PE, we have continued our skills of dribbling and practised carefully passing the ball to our partner using the inside of our foot. During Forest School, we had a go at planting the seeds we found when we tried lots of different fruits last week. We are excited to see what happens to them! In Big Idea, we used paint to create large fruit bowls, like the ones from Handa's Surprise. These will look great with fruit the children created using chalk and paint. On Friday, we introduced what maps are. We explored the different kinds of maps and how they are used. These skills will be needed next week when we use maps to identify where our fruit comes from around the world.

Have a lovely weekend,

The Reception Team

## YEAR 1 MESSAGES

This week, Year One have been identifying and labelling different types of vehicles and finding out what early vehicles were like. In English, we practised writing compound sentences making sure we joined two clauses using 'and'. In Maths, we have been reading and writing numbers up to 50 and counting in multiples of 10. Our goal at the end of the current Big Idea is to make our own vehicles. To enable us to do this successfully, each child will need at least 4 matching plastic bottle tops. These can come from milk bottles, drinks bottles etc and can either be kept at home or brought into school and stored for the last week of term when we will make our models. **We also need more volunteers for our trip to The National Railway Museum on Wednesday 13th March. If you are able to help between 9:30am and 12:00pm, please speak to either the Year One team or the office staff.**

We hope you have a lovely weekend, from the Year One team.

# YEAR GROUP MESSAGES

## YEAR 2 MESSAGES

What a brilliant week we have had! On Tuesday, we were lucky to have York Cocoa House lead a workshop with us in school, teaching us all about the journey of a cocoa bean. As part of this, we became chocolate tasters and enjoyed exploring the flavours of different chocolate. Thank you for your donations towards this experience. If you have not contributed but would like to, please contact the office. Next week, we will be looking at how factories have changed throughout history. In English, the children have written amazing character descriptions about characters in Charlie and the Chocolate Factory. In Maths, we have solved word problems involving money and started to tell the time using o'clock and half past. We will be continuing with time after we have done our consolidation quizzes next week. We will be doing forest school next Thursday and are excited to say that (weather dependent) we will be going to Rowntree Park to have our final session on Thursday 21st March. Thank you for your time at Parents' Evening this week. If you were unable to attend please talk to the Year 2 Team to arrange an alternative time.

We hope you have a lovely weekend.  
The Year 2 Team

## YEAR 3 MESSAGES

In maths, we have completed some reasoning and problem solving quizzes and the children have worked extremely hard. During our English lessons, we have planned and finished a biography based on Marie Curie. Over the next few weeks, we will focus on using speech in our writing. In our Big Idea sessions, we have designed kites which we will then make and fly over the coming weeks.

Maths homework is ONLINE again this week and it is based on fractions. The X table quiz will be on the 8x tables next week so any practise on TT Rockstars would be great. Spelling homework will be Year 3/4 common exception words.

Have a great weekend.

The Year 3 Team.

## YEAR 4 MESSAGES

This week in Year 4 we've had fun persuading Harry Potter fans to come to a special "Mischief Managed" event using a selection of persuasive language. We are making great headway with learning the techniques used to persuade our audience. During maths, we have moved onto decimal numbers, dividing numbers by 10 and 100 and solving reasoning problems. Finally, following the children's question, "Can we make umbrella art?", we learned what relief printing involves, using foam shapes to create Mary Poppins themed printing blocks. We look forward to using the prints we made for bunting to decorate our stage for the play. Information about costumes will be sent home soon.

The Year 4 Team

# YEAR GROUP MESSAGES

## YEAR

## 5

## MESSAGES

Year 5 have had a wheelie great week this week! Many of the children took part in their cycle training, on either Tuesday or Wednesday, completing Levels 1 and 2. A small group of children from Year 5 and 6 attended a dance festival at York High School and enjoyed performing a 'dance-themed' routine to a mash-up of three songs. They did themselves proud and all said how much fun they had! In Writing, the children have innovated an introduction to the story 'The Anglo-Saxon Boy' which is in preparation before writing their own next week. In Maths, the children have learned how to round decimals, recognise percentages and find equivalent decimals to percentages. In Big Idea, the children have learned why the Anglo-Saxons invaded England and learned more about Alfred the Great and his significance during the Anglo-Saxon period. Next week is assessment week where the children will complete a number of assessments in Reading, Writing and Maths. It was great to meet with so many families, earlier this week, during our parents evening appointments on both Monday and Tuesday. If you weren't able to meet with your child's class teacher, please don't hesitate to get in touch and contact them to arrange a meeting. If you have any questions or queries about anything at all, please don't hesitate to contact a member of the Year 5 team. We hope you have an awesome weekend! The Year 5 Team.

## YEAR 6 MESSAGES

This week has been a busy one in Year 6 with the continuation of our Barcelona vs York Big Idea. We have looked at the architecture of Antoni Gaudi and have decorated our own designs in his style. We have also been planning our balanced argument texts: we are comparing the various merits of York and Barcelona in preparation for creating our own travel videos. We have tried to answer as many questions as we can about the Barcelona and York trips and have been looking at maps of the cities so that those who are going are able to navigate their way around. We enjoyed seeing you all at parents' evening and are very much looking forward to the adventures of next week's trips. We have not set the children any homework this week to give them the time to prepare for their upcoming trips.

Have a great weekend and we will see you bright and early on Monday morning.

Year 6 Team.

## THE SCHOOL HOUSE MESSAGES

This week has been fantastic in the school house and we have been very busy learning about religions around the world! In English, the children have started to think about their special places and they have continued to learn about how to write acrostic poems. The children have written some brilliant similes and learnt how to use alliteration for effect. It's been lovely playing with language! On Thursday, we went to York Minster and had a brilliant time completing their nature trail. We looked at important things around the Minster and learnt why it is important to Christians. It was amazing to see the children engage fully and they represented the school brilliantly.

As always, have a wonderful weekend,

The School House Team

### **A message from Miss Gilligan:**

The School House Big Idea is currently linked to religions. The guiding purpose for this Big Idea is to host a celebration. For this, I would like to invite family members to a School House coffee morning on Friday 22nd March 9:00-10:00am to celebrate all of the wonderful School House achievements that have been made so far.

## contact For families with disabled children

Contact is the national charity supporting parents and carers of children and young people with additional needs.

They have shared with us a new short animation which tells you all about Contact in around one and a half minutes.

Contact hope to use the animation to help raise awareness of the different ways the charity can help so that more families get in touch with them to find the information, support and advice they need. This may prove a useful point of contact for you, particularly if you are awaiting support from SENDIASS as their case lists increase

Please also see below the link to our current SEND Survey. This survey will structure our current Joint Strategic Needs Assessment and Joint Commissioning Strategy whilst helping us to understand what is working well and what changes can be made in regards to the Special Educational Needs and/or Disability system. We ask that you complete the survey honestly, and support us with practical examples of how you feel we can make positive changes to our system.
