Weekly Newsletter

Friday 3rd May 2024

Mr Cooper and Mr Gardiner's Message

Happy Friday everyone.

We hope you've had a good week. It's been a busy but positive one here. We are especially proud of our Y6s for working so hard throughout their SATs tests; they enjoyed their well deserved ice cream and pizza today! Many thanks to Friends of Knavesmire for sponsoring this.

This week has been Mental Health Awareness Week and we've had a focus on movement and how staying active is great for you in so many ways. We hope you can get out with your families or friends this weekend. Next week is World Culture Week, which we will celebrate by each year group looking at a chosen country from around the world.

Elsewhere in the newsletter, you'll see details about a fundraising quiz on 14th June and please keep the 28th June in your diary for our Sports Evening. We'd love you to join us if you can.

Thanks for your ongoing support.
Mr Gardiner

Good luck

It's been a busy week - especially of course for everyone in Year 6. Well done to all of you for making it through your SATs, and to round off the week, all the children in Yr6 were offered pizza (care of Trinacria no less!) and Ice Cream today - thanks to the staff for organising and to the Friends of KPS for paying for it. What a way to celebrate! You have definitely earned yourselves a fun weekend. (And this is why Friends sell cakes in the rain...)

Next Wednesday, on the 22 May, will be the first half of the Knavesmire Bake Off. The topic this year is the Olympics and we hope there's a lot of exciting planning going on in Year 1 to 4. (Please remember that the nursery, reception as well as Year 5 & 6 will get their chance after half term.)

The judges can't wait to see and of course taste all the entries. And as a special treat this year there will be even a professional baker amongst them! So good luck to everyone who will be taking part.

Also, don't forget that we'll be selling the cakes on the day right after school. It won't be your usual cake sale and there will be award winning ones amongst them :)

YEAR GROUP MESSAGES

NURSERY MESSAGES

Hello Nursery!

We've had a wonderful week and we are very much enjoying watching our caterpillars who are now in their cocoons and waiting excitedly for the butterflies to emerge! We have been looking at the differences between humans and minibeasts and the ways that insects protect themselves without bones!

In maths we've been looking at pattern and also 2d shape, we've been working on our alliteration and syllable knowledge as well as continuing with our name writing!

We hope you have a wonderful weekend ❤️

Miss Copping and the Nursery Team

RECEPTION MESSAGES

We have had another great week in Reception! In Maths we have focussed on 2D and 3D shape. In Literacy we used a story dice to create our own stories and we focussed on what a character, setting and objects are. In Big Idea we continued to learn about life cycles and we loved our trip to Rowntree park where we created our own books by sketching flowers and minibeasts. Have a great weekend!

The Reception Team

YEAR 1 MESSAGES

This week, we have worked on our imaginary plant sculptures - trying hard to follow our designs! In English, we have written our own poems about a fruit or vegetable using lots of great adjectives. In Maths, we have been revisiting knowledge from earlier in the year and using this to answer different questions. Next week, we will be finding out about Japanese culture and the Japanese cherry blossom festival as part of the KPS Global Celebration Week. Although it is some time away, we still need volunteers to accompany us on our trip to Harlow Carr. If you are able to help on Monday 1st July, please inform either the school office or Year One team.

We hope you have a lovely weekend.

The Year One team.

YEAR GROUP MESSAGES

YEAR 2 MESSAGES

This week we have enjoyed filming our Lego movies as part of our End Goal! The children have really engaged with this Big Idea and we have loved all of their creativity! Next week, we will be looking at Danish culture as part of our school wide Culture Week. In Maths, we have been working hard to revise our written methods for our four calculations, any continued support with this at home is always appreciated! In English, the children have written brilliant instructions on how to build their own Lego model. We are looking forward to sharing these with Year 1 next week to see if they can build the creations. Please ensure that reading books and records are brought to school everyday as this helps us to read regularly with the children and track progress with their book band. We hope you have a lovely weekend!

The Year 2 Team

YEAR 3 MESSAGES

Wyuiy

We have had some fun learning different jumping techniques during our PE lessons this week. During our English lessons, we have written our own non-chronological reports with a real focus on how to present it in an engaging and functional way. In Maths, we have focused on finding fractions of amounts in different contexts. During our Big Idea sessions, we have looked at the inner workings of teeth, what they are used for and how they work. Next week, we will complete some maths and reading quizzes.

Maths homework (finding a fraction of an amount) is ONLINE this week. We will now cover more than one X table a week in class to continue to improve fluency. Spelling homework is 10 CEW to practise ready for the big spelling quiz next week.

Have a brilliant weekend,

The Year 3 Team.

YEAR 4 MESSAGES

The excitement has been building in Year 4 as we have continued onto week 2 of our Festivals Big Idea. In preparations for next week's Glastonmire festival, Year 4 have started to prepare art with which to decorate the festival, along with teaming up to prepare stalls and acts for the day.

In Writing, we have used our newfound knowledge about Glastonbury to write poems in groups about the festival. The poems begin at the location before the festival has begun and continue on as the festival gets into full swing. Maths has been focussed around statistics, with the children learning each other's favourite sports, creating and analysing frequency tables and charts.

Finally, it has been Mental Health week so we have had a big focus on how to be kind to our minds. Year 4 created acrostic poems based on this which we then shared during our Good Work Assembly.

Please can the children continue to focus on a mix of the times tables this week.

The Year 4 Team

YEAR GROUP MESSAGES

YEAR 5 MESSAGES

Year 5 have had a great week - counting down the (5) days to go until Carlton Lodge! In Writing, the children have been drafting their own 'choose your own' adventure story with a variety of exciting options to vary the plot of their story, depending on which path the reader decides to take. In Maths, the children have been working hard to add and subtract decimals with the same and different number of decimal places. In Big Idea, the children have discussed possibilities about risks, why people may take them and ponder which 'safe risks' they'll be taking at Carlton Lodge (e.g. trying new things). Throughout the week, the children have been given a number of opportunities to ask questions about their upcoming residential stay at Carlton Lodge. If there are any remaining questions that have been unanswered, please don't hesitate to ask a member of the Year 5 team - we're always happy to help! Thank you so much to all of the families who have handed in the Brownlee Foundation Mini Triathlon Event Form so far. We still have a large number remaining to be handed in. Therefore, please could we remind all families to hand them to your class teacher or a member of the Year 5 team by the end of the half-term? If you have any questions or queries about the triathlon, please don't hesitate to ask a member of the Year 5 team.

We hope you all have a fabulous weekend!

The Year 5 Team.

YEAR 6 MESSAGES

This week has been a rather momentous one for Year 6 as they have all done an absolutely brilliant job of smashing their SATs! It has been a long week but a very rewarding one: while we know that test results from one week only give us a small snapshot of the incredible things our Year 6 children can achieve, it has given us an insight into the tenacity, resilience and determination that these children have developed over their time at Knavesmire. We are extremely proud of each and every one of them.

Needless to say, there will be no homework this weekend. Their only task is to enjoy spending time with family and friends, hopefully outside in the sunshine!

Next week, the Writing period begins in earnest but we will also be running auditions for our end of year production. More on the Year 6 show to follow.

Thank you for all of the support and understanding you have offered our Year 6 children (and staff) this week and we hope you have a lovely weekend,

The Year 6 Team

THE SCHOOL HOUSE MESSAGES

The School House has had a brilliantly busy week! The children have been busy preparing for their Big idea end goal, to host a mini Olympics for children in school. This will be on Monday morning and the children have designed their own game, made trophies for athletes, written instructions on how to play and also designed a poster to advertise the games! The children have really enjoyed this Big Idea and I am sure they will love their end goal!

In English, the children have been typing their persuasive letters to the IOC and we will send these off at the end of the week!

As always, if you have any questions, please come and chat to us.

Have a lovely weekend!
