

What's The Big Idea?

Big Idea *Organiser*

Flags, Food and Football

End Goal: To create a quiz!

Year 3 Summer 2

Geography:

This half term, we will be focusing on using geographical skills and fieldwork for this Big Idea. We will use compass skills and create our own sketch maps. A key focus will be physical and human geographical features. We will then compare each feature in a town in the UK, a town in Europe and a town/city in South America.

Physical Education:

We will host a Euro 2024 themed football tournament!

Computing and Design and Technology Key Information:

- Use search tools to research a question.
- Log into a range of school approved applications to extend learning.
- Cut and measure accurately.

Knowledge Vocabulary:

Northern hemisphere
Southern hemisphere
Equator
Compass
Latitude
Longitude

Optional home learning activities

- Week 1:** Prepare the national dish from one of the Euro 2024 participating countries.
- Week 2:** Design your own flag using 3 colours.
- Week 3:** Test your family on European capital cities.
- Week 4:** Create a third kit for your country using their colours.
- Week 5:** Go for a family walk and pick out human and physical features along the way.
- Week 6:** Create your own sketch map on a location of your choice.
- Week 7:** See how many kick ups you can do in 1 minute.

Enquiry questions:

Why do countries have capital cities?
Why do countries have flags?
