**Guiding Question: Can we travel around the world in 35 days?**

**Geography Key Information:**

We will be focusing on our Place Knowledge and Location Knowledge for this Big Idea. We will be locating and comparing cities in the UK, Europe and America.

**Art Key Information:**

We will be focusing on printing in Art. We will be building up layers in addition to using different colours and textures. We will also be painting the Northern Lights!

**Enquiry questions:**

- How many countries are there in Europe?
- Where is the USA located?
- What is the highest building in the USA?
- What is the temperature in Alaska?
- Where is Peru?
- Can we paint the Northern Lights?
- How do foods differ around the world?
- Can we take our reading buddies on a journey around the world?

**Optional home learning activities:**

**European Cruise** - Can you create a menu inspired from your favourite European city?

**Road Trip USA** - Can you create an image of the American flag?

**Alaska Adventure** - Can you create a picture of the Northern Lights?

**Scottish Sightseeing** - Can you create a Non-Chronological report all about Scotland?

**Deepest Darkest Peru** - Can you create a diary entry inspired by Paddington Bear and his adventures in Peru?

**Robin Hood's Bay Residential** - Pack your bags and get ready for our Yorkshire Coast Adventure!

**Science Key Information:**

We will be focusing on states of matter including solids, liquids and gases. We will also be working scientifically as we report the findings from our investigation.

**Knowledge Vocabulary:**

At the end of this Big Idea, we will be creating knowledge lines to link each of these words together. This will demonstrate our understanding of the key vocabulary.  
**Human Geography, Physical Geography, City, States of Matter, Landscape, Coast and Tourist.**
