Mr Cooper and Mr Gardiner's Message

Dear Parents/Carers/Families,

The public has spoken! At school this week, we have been learning about democracy by voting for a school treat! Classes represented constituencies, individuals all had votes (no photo ID needed!), and a school election decision was made. From four options, a landslide victory for a non-uniform day was the result! I don't believe we need to go to see King Charles to ratify this! **Non-uniform day will be on the last day of term, Friday 19th July.**

Penalty shootout update: I can hardly get out of bed in the morning, Mr Gardiner is 20 years younger than me, but almost as aching! All classes (with exception of Y6) have taken their penalties. Lots of children have taken part, so thank you! Year 6 will be taking theirs on Tuesday morning as I'm having some professional coaching over the weekend! We are asking for all sponsorship payments to be collected (cash or parent pay) and brought into the school by Thursday (with sponsor form) so that I can order prizes on Friday! Thanks for all of your support with this.

It's been a busy week...but it should be at this time of the year! Thanks for your support with transition, plays, trips, and for continually sending us positive vibes.

Have a lovely weekend,

Adam Cooper

HEALTH AND WELLBEING

NITS

Please be extra vigilant in checking your child's hair, we have an increasing amount of cases throughout the school. For information on how to spot & treat, please click on the NHS website. Do note that in many instances, nits look a bit like dandruff.

Whilst we cannot enforce it, we recommend long hair is tied back to help prevent further spread of headlice - thank you.

All unnamed lost property will be put in the gazebo. Please have a good look through and claim anything that belongs to your child before it's either donated or recycled by the end of term.

FRIENDS OF KNAVESMIRE UPDATE

We hope everyone had a good transition day last Wednesday and doesn't feel so nervous anymore about starting a new chapter in September.

Of course, we also hope you all enjoyed the Knavesmire Sports Evening last Friday as much as we did. We wanted to congratulate all those who participated (including the brave parents in the last two races ;)) - you were absolutely amazing. Thankfully the weather played ball and the bbq, the music, our little tuck shop and naturally, the icecream van seemed all very popular (- the Friends alone made over £200). So thanks to everyone who organised, helped, performed and queued. We can't wait for next year!

And then we would like to remind you of our Summer Raffle which we will draw next Friday right after school. A flyer including our great prizes should have reached you by now but if not then you can also find it on our Facebook page and on the bottom of this message. Don't miss out and please buy tickets, tickets, tickets. It's our last big fundraiser for this school year and we'd love to end on a high. So don't forget to hand in your raffle tickets and payments till next Friday before the draw.

Have a good weekend everyone.

A colorful flyer for the Friends of Knavesmire Summer Raffle. At the top, there are cartoon numbers '1' and '2', a sun, the word 'JULY' in large blue letters, and an ice cream cone. A yellow circle says 'ONLY 1 WEEK TO GO!'. Below this, the text reads: 'Friends of Knavesmire Summer Raffle', 'Get your tickets and join us on the day after pick-up.', 'We'll be drawing the winners around 3.45pm.', 'So don't miss your chance to win one of our fantastic prices, tickets, vouchers & gift bags for ...'. A list of prizes follows: Whistlestop Valley | Wild Things Forest School | Brew & Brownie | Racecourse | William's Den | Wizard of York | Coffee Culture | Winning Post | The Cheesecake Guy | David Lloyd | FootGolf | X Martial Arts School | Betty's | York Knights | Fred Aldous Art Supplies | Kip McGrath | Casey's Cakes | York Sport | The Lego House | Inflatable Pool | Jumbo Dumbo Soft Toy.

A logo for Friends of Knavesmire Primary School. It features a hand-drawn illustration of three children holding hands under a sun. To the left, it says 'Registered Charity no: 1050289'. To the right, it says 'Friends of Knavesmire Primary School'. The word 'Knavesmire' is written at the bottom.

YEAR GROUP MESSAGES

NURSERY MESSAGES

Hello Nursery!

We've had a fabulous week with a lot of tie dye!

The children have chosen their colours and enjoyed dipping and mixing their T-shirts in the buckets. The t-shirts look great and we can't wait to show you!

The children have also been recapping their 3D shape knowledge as well as practicing rhyme, alliteration and clapping the syllables in their names and other words.

We look forward to beginning to film our end of year video next week!

We hope you have a lovely weekend,

Miss Copping and the Nursery Team ❤️

RECEPTION MESSAGES

Happy Friday! We have had a wonderful week practising all of our songs for our summer performance next week, on Wednesday 10th. The performance will start at the Amphitheatre in Rowntree Park at 10:30. We cannot wait to see you there- fingers crossed for the good weather! This Wednesday, the children had a great time moving up to their new classes for next year. They had a chance to get to know their new teacher, to explore the classroom and to play with their friends. The next transition will be next week, on the afternoon of Wednesday 10th. Please let us know if you have any questions.

Have a lovely weekend,
The Reception Team

YEAR 1 MESSAGES

This week, we went to RHS Harlow Carr and explored the gardens. The children used a map to locate features in the garden using lots of directional language along the way. We all had an amazing time, despite the rain and everyone enjoyed looking at all the wonderful things around the garden. We would like to say a huge thank you to the parent helpers who accompanied us on our visit and we hope you had a good time too! This week, we have also been naming and locating the four countries of the United Kingdom and identifying their capital cities. We imagined what it would be like to travel to one of the countries and wrote postcards describing the characteristics we saw while we were there. In Maths, we have been working on using the language of time, identifying the things we do before and after school and sorting activities into morning, afternoon and evening. This week will be the last time reading books come home in Year One as we will begin to collect them back into school from Friday 12th July onwards. Please also make sure any library books are also returned to school as soon as possible.

Thank you for your support and we hope you have a lovely weekend from the Year One team.

YEAR GROUP MESSAGES

YEAR 2 MESSAGES

Year 2 have had another great week! In Maths we have consolidated our times tables knowledge and revised our knowledge of the methods used for the four operations. In English we have researched 'how to save the ocean' in preparation for writing a non-chronological report next week. We were incredibly lucky to have Daniel (who appears on Deadly Mission: Sharks) come in to give us a presentation all about his time in The Bahamas, sharks and conserving the ocean! We are super proud of how well all of the children have done on their first transition session this week, they have loved spending time with their new teachers! Please can we ask you to send your child to school with a strong carrier bag next week so that we can start to send all the children's books and work home!

Have a great weekend!

The Year 2 Team

YEAR 3 MESSAGES

This week, we have been on a local walk around the racecourse using compasses. We identified key geographical features and where they are in relation to each other. We then designed and created a sketch map of the racecourse! In maths, we have looked at the 24 hour clock and durations of time. Next week, we will look at the formal methods of addition and subtraction to support future learning in Year 4. We have started to write our narratives based on 'The Girl and Robot' and there have been some excellent vocabulary choices all the way through. Maths homework (X table poster) will be inside homework books and spelling homework (-sion ending) will be on Spelling Shed. If your child doesn't have their homework book in school, you should find the sheets in their school bag!

Have a great weekend,

The Year 3 Team

YEAR 4 MESSAGES

In Year 4, we have had a brilliant week preparing for lots of up and coming changes. We will be giving lots of opportunities for time to talk through any questions whilst transition sessions are taking place and we build up to our Robin Hood's Bay trip. In PE, we have also been practising our Archery skills - channelling our Robin Hood skills whilst working on our aim. During English lessons, we have created explanation texts and used our editing skills to review our own independent writing. We are continuing to practise our arithmetic skills ahead of next year. The children have worked really well across all subjects to consolidate their knowledge as we get towards the end of the year.

For next week, we are looking forward to our violin concert on Friday 12th of July at 9.15am! We look forward to seeing as many of you as possible to showcase what the children have learnt this year. As the term comes to an end, we may be sending the children home with work they have produced throughout the year! Please can we ask for the children to have a carrier bag in their locker ready.

Have a great weekend!

From the Year 4 team.

YEAR GROUP MESSAGES

YEAR 5 MESSAGES

Once again, Year 5 have had a really exciting week filled with lots of enriching activities. The week started off with a trip to Milthorpe on Tuesday for an action filled French Cafe. The children were all absolutely amazing and we want to thank every family member who came to visit the French Cafe. A huge thanks goes to Mrs Lupton and the staff at Milthorpe who organised the event. On Thursday, we completed our last rehearsal with Helen from Kinesis Dance in preparation for the Barbican Performance next Tuesday - we are all looking forward to showing you the amazing talent! Both classes are also looking forward to their performances on Thursday at the Theatre Royal.

Have a lovely weekend,

The Year 5 Team.

YEAR 6 MESSAGES

The final countdown has begun on our Year 6 production of 'Stranger Frequencies' and Year 6 are rehearsing incredibly hard. We are so excited to show you the fruits of their hard work next week!

A big thank you to all of you for your effort with costumes and to those who donated cardboard for our props. Next week is a busy one, with our production, Crucial Crew trip and our penalty shoot-out so we recommend a couple of early nights this weekend.

Looking forward to seeing you all at our performances,
The Year 6 Team

THE SCHOOL HOUSE MESSAGES

We have had another busy week in the School House and the children have been continuing with their art Big Idea. This week, they have been creating their own self portraits! They looked at lots of different portrait artists and compared their styles and they have then created their own, trying to make them as realistic as possible.

In English, the children have been creating their own illustrated version of 'The Journey' by Aaron Becker. This has been a really creative activity and the children have enjoyed telling a story without words!

As always, if you have any questions, please come and chat to us.

We hope you have a wonderful weekend.
