Mr Cooper and Mr Gardiner's Message

Happy Friday!

We've had another fantastic week at school with plenty going on. Year 3 are continuing their swimming and are loving the sessions at Energise. Year 6 have enjoyed Forest School and braved the cold, while continuing their learning outdoors.

Thank you to the attendees of our quiz last week. We were really pleased to raise over £350 towards some of our exciting educational visits.

Mr Cooper and I have ended the week visiting two schools in Wigan, Orrell Newfold and Marus Bridge, with our friends from Scarcroft. It's fantastic to learn from others and share what we all do. We've come away with some great ideas.

Mr Cooper and Mr Gardiner

Just a reminder that your child has a library session scheduled each week - please ensure that your child's library book is in school on that day to swap for a new one. If you find any library books at home which may have been 'lost' please return them to the box in the School Office.

CLOTHES BANK

Our fundraising and recycling clothes bank is situated at the entrance of the car park to the rear of the school. Please click on the following link to see Mrs Wogan-Wells from Y6 explain a little more about how it all works.

<https://online.fundraiserecycleltd.co.uk/bank?bankId=KnavesmirePrimary-School>

Please use the facility to donate any unwanted clothes.

REFUGEE APPEAL

There is a pause on donation collections for the moment, but please bear this in mind for the future if you have suitable items.

SCHOOL MILK

If you want to register your child for school milk, simply visit www.coolmilk.com/register

SAFETY ON THE PLAYGROUND

Please be reminded that the use of scooters and bikes is **not allowed on the school playground** - it is too great a risk of injury to riders and others.

Please make sure you wheel bikes and scooters off the playground before riding them.

HEALTH AND WELLBEING

NITS

Please be extra vigilant in checking your child's hair. For information on how to spot & treat, please click on the NHS website. Do note that in many instances, nits look a bit like dandruff. Whilst we cannot enforce it, we recommend long hair is tied back to help prevent further spread of headlice - thank you.

LOST PROPERTY

'Tis the season for discarding unnamed warm stuff. We have set up a box for lost hats, gloves and scarves in the gazebo on the playground.

Named clothing, if found, will be sent to class. Unnamed clothing will be donated or recycled if an owner can't be found.

Check the Friends of Knavesmire Facebook page to view any valuable #lostandfound items.

WHOLE SCHOOL INFORMATION

THE COFFEE CART IS BACK!

I am pleased to share the news that the Coffee Cart is back in the playground in the mornings. Mr Taylor, our Pupil Mentor, will be outside Miss Hall's classroom, located near the main gates, every morning (when it's not raining!) before school starts with the Coffee Cart. Mr Taylor will be with some amazing Year 5 students who will be ready to sell some lovely cups of tea, coffee or hot chocolate, exactly what you need to start your morning.

All money raised goes back into restocking the coffee, tea and hot chocolate and any that is left over goes back to the school to help buy essential supplies. The young people who help out gain many skills and they thoroughly enjoy the challenges it brings. Miss Gilligan, our school SENCO will help out on a Friday morning and is available for a quick chat or to answer any questions you may have.

All drinks are only £2.00 and we accept cash or card. Please note that we do not serve coffee or tea to any children at school but we do allow hot chocolate as long as the drink is finished before the start of school and not taken into any classroom.

We look forward to seeing you soon.

FRIENDS OF KNAVESMIRE UPDATE

We hope you all had a good week and enjoyed the sunny days as well as the first snippets of snow.

Please be reminded that it's almost time for the Knavesmire Christmas Shopping Evening. Next Thursday, on the 28th November, in the school's hall from 6-8pm you'll be able to find lots of great local sellers, artists, food and drinks. It's always a lovely event so you really shouldn't miss it and we hope to see as many people as possible there - so tell your friends, family and neighbours. (The KS1 choir will remind you next week as well.)

Another reason for this date to be put in your calendars is that by 5pm on 28 November you'll have to have paid and signed up for the Secret Santa event on 6th December. If you haven't managed to fill in all the necessary information on ParentPay by then your child won't be able to attend. This advance date allows us to make sure there will be enough presents on the day as well as gives us time to wrap them all up. We hope you understand the importance of setting a deadline as we just want to avoid disappointment.

If you have already signed up but feel you're able and happy to give a bit more then you can find an item on ParentPay labelled Friends' donation, which is meant to possibly cover for children whose families might not be able to afford the Secret Santa this year. Thank you very much for your consideration.

And of course, you can also still look forward to the school disco on 13 December and you can still buy tickets (as well as donate items) for our big Christmas Hamper Raffle which will be drawn, accompanied by the KS2 choir and hopefully some delicious cakes, on the 16 December right after school.

Have a good weekend everyone.

YEAR GROUP MESSAGES

NURSERY MESSAGES

It has been a very chilly week in Nursery as we explored the frost, ice and snow! We have spent lots of time practicing independently dressing ourselves in all our warm clothes to go play in the garden.

We have continued our learning about Goldilocks and read an alternate story called 'The Three Snow Bears'. We discussed the similarities and differences between the stories.

In maths we have continued exploring size and have been sorting items into 'big', 'medium' and 'small' with the help of the 3 bears.

We had lots of fun in our first Forest School session where we played lots of games including Hide and Seek! These sessions will be every 3 weeks on a Thursday morning for the remainder of the school year.

We hope you have a lovely weekend and look forward to seeing you next week!

The Nursery Team

RECEPTION MESSAGES

We have had another great week as we have started to learn the song and dances for our Christmas Performance! Please label all costumes and bring them in by Friday 29th November, if you have any problems please let us know.

We have learnt /z/ /qu/ /ch/ /sh/ in phonics and have continued to learn about Diurnal and Nocturnal animals in Big Idea then we wrote about them in Literacy.

In Maths we have focussed on the number 5 and made different compositions of the number.

Have a lovely weekend!

YEAR 1 MESSAGES

We have had another wonderful week in Year One. In Big Idea, the children have made magical potion bottles using chalk. They have also carried out science experiments using magnets, glitter and soap to make their own magic!

In English, the children thought of their own ideas to adapt the magical part of the Cinderella story. The children wrote this new version out in their own words. In maths, the children have been working on number bonds of 5 and 10 and have written number sentences using the symbols of + and =.

This week, we were lucky enough to meet an engineer who told us all about their job and how they use their imagination. Next week, the children will be entering into a children's engineering competition. The children have the opportunity to use their imagination to design a product that can solve an engineering problem!

From the Year One team.

YEAR GROUP MESSAGES

YEAR 2 MESSAGES

We have been working hard in Year 2 across all of our lessons this week! In Maths, the children have been practising their subtraction with using a number line. We will continue to practise this for next week too. Our focus has been the 10 x tables and we will continue with this focus next week. Our English Writing purpose and Big Idea lessons have linked beautifully for the past week! We have been looking at instructions and how to create clear and precise steps - these were then followed to create Diwali lamps in Big Idea. The children will soon be bringing a set of instructions home for you to have a go at! We have continued to work hard with our play rehearsals this week too. We will be encouraging the children to not use their scripts for their lines from Monday, to help encourage their confidence on stage. As always, please come and find us if you need any help with costumes as we will be asking for these to be in school for Monday 2nd December.

Thank you again for your continued efforts with rehearsing lines.

Have a great weekend!

From the Year 2 team.

YEAR 3 MESSAGES

Year 3 have had a brilliant week! Both classes took part in a drama workshop, run by York Theatre Royal, on Tuesday or Wednesday and used drama to act out the different stages of mummification. Additionally, the children created death masks and played a popular ancient Egyptian game called 'Mehen' in Big Idea. In Maths, the children have finished their arithmetic assessments, times table assessment and have begun their reasoning assessment. In PE, the children have continued with their unit on Netball and have developed their footwork and passing skills alongside their movement on a netball court. This week, children's book bands have been reviewed and your child may have received a book from a new book band or changed their book on their current book band.

They've thoroughly impressed us with how hard they've worked this week. Therefore, we hope you and the children have a restful and relaxing weekend.

As always, if you have any questions or queries at all, please don't hesitate to contact or speak to a member of the Year 3 Team.

The Year 3 Team.

YEAR 4 MESSAGES

We have had another lovely week in Year 4!

In Maths, we have continued to become TT Rockstars, focusing particularly on our division facts. We have also learnt how to identify and translate Roman Numerals. Next week, we will be completing our Autumn term Maths tests in small groups to show off our knowledge from this term.

In English, we have been focusing on features of narratives and how to use them. This week, we have looked at figurative language and onomatopoeia.

In Big Idea, we have explored Ancient Greek life a little more, thinking about how Ancient Greek life has influenced our world today.

Next week, we will be carrying out our half termly 20 word spelling test. This will test the children on the second 20 spellings in the list of Year 3/4 common exception words. We shared a copy of this during parents evening. For this week's homework, we would like to encourage a focus on spellings alone to support the children with their test.

Have a lovely weekend everyone and thank you for your ongoing support.

Year 4 team.

YEAR GROUP MESSAGES

YEAR 5 MESSAGES

We have made excellent progress with our Big Idea as we have looked at how propaganda was used during WW1. We have created collages using a range of propaganda poster examples.

In maths, we have added and subtracted both mixed and improper fractions.

In writing, we have finished drafting our persuasive leaflet and we are now currently working on our final copies.

Next week, we will complete some quizzes that will help us to inform our teaching over the next few weeks.

Homework this week is based on adding and subtracting fractions (My Maths) and spelling homework (spelling recap) will be set as normal alongside Spelling Shed.

Have a brilliant weekend,
The Year 5 Team.

YEAR 6 MESSAGES

We have had an extremely exciting and busy week in Year 6 this week!

In English we have started working on describing our own Christmas towns. In Maths, we have been solving algebraic equations! We have also had brilliant Forest School and coding sessions with Mrs Banham and Mrs Merritt. In Big Idea, the children have been planning and filming their incredible quest movies (we certainly have some amazing actors and actresses in Year 6 this year!). To end our Big Idea in style, we will be holding our very own glitzy Year 6 Knoscars ceremony (complete with real Oscars!) next Friday 29th November. The children can dress up in their fancy awards ceremony worthy clothes if they wish to. If they would like to dress up, please can they bring their outfits into school in a bag to get changed into at lunchtime.

Have a wonderful weekend!
Year 6 Team.

THE SCHOOL HOUSE MESSAGES

The School House has had a busy and brilliant week! The children have been busy writing a shared class rhyming poem to prepare them for writing their own independent poems next week. They will be writing a poem about their wishes for the world.

In Big Idea, the children have been learning about different stories and parables from the Bible. The children have thought about what these teach Christians and why the stories are important to them. Next week, we will be starting to learn about Hinduism!

As always, if you have any questions, please come and chat to us.

Have a lovely weekend!
The School House Team

A research team at the University of York is looking into mental health service provision for parents and caregivers of children with SEND living in and around York.

We know that raising a child or children with SEND can be challenging and are interested in learning about the experiences of mental health support that parents and caregivers of children with SEND have had.

We have devised an initial survey to get an idea of parents'/caregivers' awareness and use of mental health services in the York area. We would like this survey to be filled out by as many parents of children with SEND as possible so that we can get a true picture of how services are being used and how parents/caregivers feel they could be improved.

There will also be an opportunity to register interest for follow-up interviews at the end of the questionnaire. Interview participants will receive a £20 Amazon voucher as a thank you for their time.
