History Key Information:

We will be focusing on the differences between our lives and those of the Ancient Greeks. We will explore how the Ancient Greeks lived, what they did and how these impact on the way we live today.

Enquiry questions:

- What languages were spoken in Ancient Greece?
- What was the land like in Ancient Greece?
- What did people wear?
- Can we (virtually) explore Ancient Greece?
- Why were myths told? And which are the most famous?

Optional home learning activities:

Here are some optional homework choices for you to try over the next few weeks.

Week 1: Greece - Can you locate Greece on a map and then find out how long it takes to travel there? What other countries might you pass through/over?

Week 2: Greek Food - Can you create a Greek inspired menu?

Week 3: Greek Mythology - Can you draw your own mythological creature?

Week 4: Buildings - Can you create a 3D model of a famous Ancient Greek landmark? For example, the Acropolis or the Minoan Palace of Knossos?

Science Key Information:

We will develop our knowledge of electrical circuits and their corresponding symbols.

Knowledge Vocabulary:

- civilisation
- artefact
- BC
- democracy
- society
- period
- worship
