

Geography Information

For this Big Idea, our host subject will be Geography. As part of the curriculum, the children are asked to look at similarities and differences between seaside towns as well as describe human and physical geography. We will also be building on the children's field work skills by using simple compass directions.

School Trip

We are currently organising a trip for the end of the half term to celebrate the guiding purpose of our Big Idea! More information will be provided very soon.

Art Information:

In some of our lessons we will also be looking at Art. We will be aiming to make our own animal through sewing!

Knowledge Vocabulary:

coast
physical geography
human geography
town
sea

Optional home learning activities:

Task 1: Make your own sea animal using recycling materials.

Task 2: Paint your own seaside picture.

Task 3: Write a short story about a coastal adventure! Be inspired by our 'Snail and the Whale' book study at the beginning of the year.

Design Information:

Over the next couple of weeks, we will be using our design and technology skills to prepare resources and designs ahead of our Art project.

Enquiry Questions

Which materials would be the most appropriate for our Art project?
How might the coast lines change in the future?
