Mr Cooper and Mr Gardiner's Message

Happy Friday!

What a week we have had! Year 6 have been absolutely fantastic while they have sat their SATS. Although they are only one measure of achievement it is always wonderful to see the children putting in their best efforts. Also a huge thanks to the staff from Year 6, and several other year groups, who have supported the children so well this week.

In sporting news, the boys football team are through to the semi-finals of their competition. And girls are playing tonight!

And finally, we are excited for Mrs Reed-Williams and her husband who will be relocating over the summer. While this means that she will sadly be leaving Knavesmire we wish them all the best for their next chapter.

Have a wonderful weekend, whatever you are up to!

Mr Cooper & Mr Gardiner

HEALTH AND WELLBEING

NITS

We are experiencing a resurgence in nits in the school, particularly in Y1. Do please be extra vigilant in checking your child's hair. For information on how to spot & treat, please click on the NHS website. Do note that in many instances, nits look a bit like dandruff. Whilst we cannot enforce it, we recommend long hair is tied back to help prevent further spread of headlice - thank you.

LOST PROPERTY

The box for lost hats, gloves and scarves in the gazebo on the playground is overflowing... Please check it out for your missing items.

Named clothing, if found, will be sent to class. Unnamed clothing will be recycled if an owner can't be located.

Check the Friends of Knavesmire Facebook page to view any valuable #lostandfound items.

Blue Peter Green Badge – Knavesmire's Easter Eco Challenge

It has been great to hear and see all of the things that the children have been getting up to as part of the **Knavesmire Eco Challenge**. If you missed it, don't worry as it's not too late to take part!

Once you have completed the challenge, by taking one or more pledges, and you're aged 5-15 years old, you can apply for a **Blue Peter Green badge**, which gives you *free entry to 200+ attractions in the UK*. We'd love to see as many children as possible getting a Blue Peter Green badge!

How do I apply for the Blue Peter Green badge?

Information on the badge and how to apply can be found here:

THE COFFEE CART IS BACK!

I am pleased to share the news that the Coffee Cart is back in the playground in the mornings. Mr Taylor, our Pupil Mentor, will be outside Miss Hall's classroom, located near the main gates, every morning (when it's not raining!) before school starts with the Coffee Cart. Mr Taylor will be with some amazing Year 5 students who will be ready to sell some lovely cups of tea, coffee or hot chocolate, exactly what you need to start your morning.

All money raised goes back into restocking the coffee, tea and hot chocolate and any that is left over goes back to the school to help buy essential supplies. The young people who help out gain many skills and they thoroughly enjoy the challenges it brings. Miss Gilligan, our school SENCO will help out on a Friday morning and is available for a quick chat or to answer any questions you may have.

All drinks are only £2.00 and we accept cash or card. Please note that we do not serve coffee or tea to any children at school but we do allow hot chocolate as long as the drink is finished before the start of school and not taken into any classroom.

We look forward to seeing you soon.

FRIENDS OF KNAVESMIRE

UPDATE

Due to a mix up our part of the newsletter didn't go out last week. Therefore, we wanted to share our thanks and winners for the Bake Off again ...

Thank you so much for all the amazing Bake Off entries. The judges had a very hard time deciding (even though it was of course also a great pleasure :) and they were stunned by all the fantastic ideas and the hard work that went into the cakes and their decorations. Still, there have to be some winners and this is the full list for this year:

Ted M. (Reception)
Issy B. (Year 1)
Joshua C. (Year 2)
Sadie T. (Year 3)
Freddie G. (Year 4)
Lyndon H. (Year 5)
Lenny B. (Year 6)

Congratulations to all of them and well done to everyone else!

And thank you to all the lovely helpers - planned or spontaneous. We couldn't have done it without you (or we might at least have lost some people in the queue tired of waiting ;) You were really great and a big support.

A last thanks has to of course also go out to everyone who bought a cake. Thank you so much for your customs (and waiting in the queue) - thanks to you we made £515 which is absolutely amazing. The Friends and naturally the school very much appreciate it.

Next up will be the Sports Eve at the end of June so keep an eye out!

Have a good weekend everyone.

YEAR GROUP MESSAGES

NURSERY MESSAGES

We can't believe we are already at our final week of the half term! It has been another busy week as we near the end of our 'Big Idea', On The Farm! The children have been showing off their knowledge about where our food comes from. This week we have been focussing on bread and where the ingredients we need came from. The children have been able to recall the process wheat goes through as it goes from a farm to the supermarkets. They have then been busy making their own bread, just like the Little Red Hen. However, unlike the story, our children showed beautiful collaboration and teamwork skills.

We have also been busy in Forest School on Thursday morning! We had to search for the caterpillars which were hidden around the forest area and we learnt about how they are camouflaged and why this is important.

Have a lovely weekend! 😊

RECEPTION MESSAGES

We have had another great week in Reception!

We can't wait for the Science Workshop next week and we have been busy ordering numbers, writing sentences and much more!

As the weather is hopefully warming up please remember to send your child into school with a water bottle, sunscreen applied and a suitable hat.

Have a great weekend!

The Reception Team

YEAR 1 MESSAGES

This week, we have found out how plants can provide food and which parts of a plant we can eat. In English, we have written about how a plant grows and in Maths, we have worked on sharing amounts equally.

Next week, we will be finding out what sculpture is and making our own plant sculptures!

At the end of the day, when collecting children from the playground, please make sure you are visible and your child can easily see you. We want all children to reach their grown ups safely and it makes it less worrying for everyone if you can easily be spotted.

Thanks for your support and have a great weekend,
from the Year One team.

YEAR GROUP MESSAGES

YEAR 2 MESSAGES

This week Year 2 have had a great time learning about the features of different animals. We decorated our wonderful sewn sea creatures and we are so proud of them! In maths, we really enjoyed drawing clock times on the playground and consolidating our arithmetic, reasoning and problem solving skills.

Next week, we will be looking at how data is collected, beginning our unit on statistics. The children had a really enjoyable time at Forest school, making delicious toast and jam! In English, the children have written excellent balanced arguments about whether or not people should be allowed to visit the beach. Next week, we will write a setting description about Scarborough, using our trip as an inspiration.

On Monday, we will be going to Scarborough. Please see the parent pay information for all the details and ensure your child has weather appropriate school uniform, coat, hat as well as a pack up and water bottle with a bag to carry it in.

Have a lovely weekend, The Year 2 Team

YEAR 3 MESSAGES

Year 3 have had a wonderful, sunny week! In Writing, the children have completed spelling quizzes, a sentence types assessment and have consolidated their knowledge of subordinating conjunctions, subordinating clauses and complex sentences. In Maths, the children have finished their unit on fractions and have moved onto statistics. In Big Idea, the children are drawing to the end of their current Big Idea, learning all about the Human Body. They've identified the four different types of teeth, learned about the purpose of each tooth and learned about the purpose and location of each organ. Additionally, the children have also learned about human and physical features, particularly focusing on examples in their local area. In PE, the children have enjoyed learning the rules of rounders and playing the game itself!

This week's homework is:

Maths - On MyMaths - 3 x Year 3 statistics tasks.

Spelling - 20 CEW to recap and revise.

If you have any questions or queries about anything at all, please don't hesitate to contact or speak to a member of the Year 3 Team.

YEAR 4 MESSAGES

Year 4 have had an action-packed week continuing our learning about the Romans.

In English, we wrote the diary of a gladiator after a dramatic battle in the colosseum, using a combination of action, description and thoughts and feelings to portray the gladiator's experience.

In Maths, we finished our learning about money and have started to focus on time: first, converting days, weeks, months and years, and then learning how to convert seconds into minutes and minutes into hours.

Big Idea has had an arty focus, and we have created factfiles to showcase our knowledge on volcanoes and learn how to sew a Roman Pouch.

Need to know:

Next Friday (23rd May), we will be holding a Roman-themed day. The children can dress in their own clothes, or wear a Roman-inspired outfit, should they wish.

YEAR GROUP MESSAGES

YEAR 5 MESSAGES

This week, Year 5 have finished their incredible diary entries from the perspective of a crew member from the Shackleton exhibition. In maths, they have continued angle work looking at angles around a point and on a straight line. In Big Idea, they have concluded their adventure topic as next week they will complete their guiding purpose (to be an adventurer) by going to Carlton Lodge which we are all very excited for!

We also introduced our Playhouse Project play to them which both classes will be performing separately next term at York Theatre Royal which is the Creakers! We are all set for Carlton Lodge next week and hope everyone is excited! If you do have any questions about the trip before we go please get in touch.

There will be no homework next week due to being on a residential.

Have an enjoyable weekend,

The Year 5 Team!

YEAR 6 MESSAGES

This week has been a rather momentous one for Year 6 as they have all done an absolutely brilliant job of smashing their SATs! It has been a long week but a very rewarding one: while we know that test results from one week only give us a small snapshot of the incredible things our Year 6 children can achieve, it has given us an insight into the tenacity, resilience and determination that these children have developed over their time at Knavesmire. We are extremely proud of each and every one of them.

Needless to say, there will be no homework this weekend. Their only task is to enjoy spending time with family and friends, hopefully outside in the sunshine!

Next week, the Writing period begins in earnest but we will also be running auditions for our end of year production. More on the Year 6 show to follow.

Thank you for all of the support you have offered our Year 6 children this week and we hope you have a lovely weekend, The Year 6 Team

THE SCHOOL HOUSE MESSAGES

We have had another lovely week in the School House!

In Maths, we have completed our end of half term times tables test in addition to learning all about Roman Numerals. In English, we have published our Cannon Hall farm leaflets. We have also completed our end of half term sentence type tests.

In Big Idea, we have answered the learning journey question 'what animals will we have on our farm?' Using Art skills, we moulded clay into different farm animals and used paint to bring them to life!

Have a lovely weekend everyone,

School House Team.
