Mr Cooper and Mr Gardiner's Message

Happy Friday!

Dear Parents, Carers, Families,

It was great to see so many children and families at last Friday's Sports Evening - the weather held out and it was great to catch up with so many of you. Thanks to the staff who organised (and competed!) in races as well as those who helped with the Friends stall.

A high point of this week was Year 5's Playhouse Project at York Theatre Royal on the hottest day of the year! Both classes performed TWICE to their families, as well as rehearsing hard in the heat - it didn't seem to phase them though as their performances were a triumph!

This week the children have had their first transition session to meet their new classes for next year. As well as this, Reception have hosted Stay and Play sessions for their new starters and Year 6 all took place in the city-wide transition day into their new schools for Year 7 - it's that time of year again!

In term of staff moves, we will be welcoming two new teachers in September. Miss Banner will be joining us in 4B and Miss Copley will be joining in 5C. We will also be welcoming back Mrs Mulhearn (formerly Miss Smith) back from Maternity Leave and she will be class-sharing with Mrs Hughes in 4HM.

Have a great weekend

Mr Cooper & Mr Gardiner

Just a quick reminder to remember to name all items that your child brings into school. Any mislaid named items will be returned to children in class.

We have a large number of unnamed items of uniform/coats/snack boxes/water bottles etc. These have all been placed in the gazebo in the playground. Feel free to look through these to look for any misplaced items. If there are any unclaimed items at the end of the school year, they will be donated or recycled.

We do not run a lost property in school. Any unnamed items will continue to be placed in the gazebo. The gazebo will be emptied of unclaimed items at the end of each half term.

HEALTH AND WELLBEING

NITS

We are experiencing a resurgence in nits in the school, particularly in Y1. Do please be extra vigilant in checking your child's hair. For information on how to spot & treat, please click on the NHS website. Do note that in many instances, nits look a bit like dandruff. Whilst we cannot enforce it, we recommend long hair is tied back to help prevent further spread of headlice - thank you.

LOST PROPERTY

The box for lost hats, gloves and scarves in the gazebo on the playground is overflowing... Please check it out for your missing items.

Named clothing, if found, will be sent to class. Unnamed clothing will be recycled if an owner can't be located.

Check the Friends of Knavesmire Facebook page to view any valuable #lostandfound items.

CHILDREN IN THE NATIONAL NEWS

Some wonderful news about a couple of our students and their involvement in a national campaign for better, greener options for travelling to and from school.

Two Knavesmire pupils – Zachary (6K) and Heléna (4GH) – met Professor Sir Chris Whitty, Chris Boardman CBE and seven English mayors on Tuesday evening to mark the signing of a pledge to create a network of safer walking, cycling and scooting routes, particularly for the school run.

THE COFFEE CART IS BACK!

I am pleased to share the news that the Coffee Cart is back in the playground in the mornings. Mr Taylor, our Pupil Mentor, will be outside Miss Hall's classroom, located near the main gates, every morning (when it's not raining!) before school starts with the Coffee Cart. Mr Taylor will be with some amazing Year 5 students who will be ready to sell some lovely cups of tea, coffee or hot chocolate, exactly what you need to start your morning.

All money raised goes back into restocking the coffee, tea and hot chocolate and any that is left over goes back to the school to help buy essential supplies. The young people who help out gain many skills and they thoroughly enjoy the challenges it brings. Miss Gilligan, our school SENCO will help out on a Friday morning and is available for a quick chat or to answer any questions you may have.

All drinks are only £2.00 and we accept cash or card. Please note that we do not serve coffee or tea to any children at school but we do allow hot chocolate as long as the drink is finished before the start of school and not taken into any classroom.

We look forward to seeing you soon.

YEAR GROUP MESSAGES

NURSERY MESSAGES

This week we have begun our end of year and transition activities. Lots of our September school starters have been busy visiting their new classrooms and transition preparations are well underway for them.

In Nursery, we have been busy tie-dyeing our t-shirts ready to wear in our end of year video. The children have chosen their colour and enjoyed dipping and mixing their t-shirts in the bucket. We have been practising our makaton signing along to the song lyrics, we can't wait to share this with you!

Yellow Group had a fabulous Forest School session on Thursday morning. They learnt about how to stay safe around fire and then practised these skills as they toasted marshmallows!

Have a wonderful weekend! ❤️

RECEPTION MESSAGES

Hello Reception, we've had a great week!

We've been practicing hard for our performance in the park (we can't wait to show you all!) Romans enjoyed toasting marshmallows in Forest school and the Vikings had a great time playing games on the MUGA and having a go at a penalty shoot out with Alesha!!

We've been continuing with our phonics and practicing reading longer words with adjacent consonants as well as writing them.

In Big Idea we've been exploring Asia and Australasia.

We hope you have a great weekend.

The Reception Team

YEAR 1 MESSAGES

This week, everyone has had lots of fun exploring their island by programming the Beebot to make different journeys.

In English, we read the poem 'Holiday Memories' by June Crebbin and added some actions to help us remember the words. We also made pictures to represent the events in the poem.

In Maths, we have learnt to read the time to the hour on an analogue clock and also thought about different activities using hours, minutes and seconds to describe how long each activity takes.

This week will be the last week that reading books and fluency books are sent home; we will begin collecting and sorting books ready for next year from Friday 11th July onwards.

Thank you for your support and we hope you have a good weekend.
From the Year One team.

YEAR GROUP MESSAGES

YEAR 2 MESSAGES

Year 2 have been working really hard with a range of skills this week! We have been writing our own explanation texts in English, using our Robot Big Idea as inspiration. This has linked beautifully to our Robot Big Idea and the children have loved designing and programming their own robots on Tynker during our Computing lessons. Their hard work has paid off and their robots look amazing! We have continued to recap topics in Maths, with capacity and time being a particular focus. The sunshine has been welcomed as we have moved onto our new PE topic of rounders! Please make sure the children are coming to school with a water bottle and hat as we see more sunny days.

On Wednesday, the children had a fantastic session meeting their new Year 3 teacher and looking at their new learning environments for September. We have two more transition sessions for the following Wednesdays of the term. We are continuing to support the children with any questions but please don't hesitate to come and speak to us about any concerns or questions that you have.

On Thursday, we said goodbye to Miss Couper who has been supporting 2S with their learning as part of her PGCE placement. We have loved working alongside her and wish her the best for her teaching career! Miss Walls will be with us for another week and her last day will be next Friday.

Have a lovely weekend, From the Year 2 team.

YEAR 3 MESSAGES

Year 3 have had a rather warm yet wonderful week! On Wednesday, the children met their new class teachers and found out their classes during their first transition session. They have their second transition session next Wednesday. In Big Idea, the children evaluated their current Big Idea before generating questions for their new Big Idea which they will start next week. In Writing, the children created a character, based on The Stone Age Boy, to be included within their own narrative which is to be written during next week's Writing lessons. In Maths, the children consolidated their knowledge of subtracting with exchanging and continued with their unit on Time. In PE, the children enjoyed their final afternoon rounders of Rounders before moving onto Athletics next week.

This week's homework:

Maths - 3/4/8 times table lessons on MyMaths.

Spelling - No set homework this week but feel free to go on Spelling Shed and revise all current spellings.

If you have any questions or queries about anything at all, please don't hesitate to ask or speak to a member of the Year 3 Team. We're always happy to help!

We hope you have a wonderful weekend!

The Year 3 Team

YEAR 4 MESSAGES

This week, it's been all about inventions in Year 4! The children have designed their own fantastical inventions and written explanation texts based on 'The Teacher Pleaser' all about how to make them work.

In the Big Idea, we spent some time looking at Leonardo Da Vinci and his wonderful inventions. Also, we have created designs for a "fantastical world in a box". Please gather shoeboxes, cardboard and any other making materials so that the children can unleash their imaginations next week.

Finally, we said goodbye to Miss Rose, who has been a wonderful addition to 4R. Thank you Miss Rose for all that you have done in Year 4.

YEAR GROUP MESSAGES

YEAR 5 MESSAGES

Playhouse Project is complete! The children did a fantastic job over the whole day (especially when you take the heat into consideration) and put on two brilliant performances of which they can be extremely proud.

During the Millthorpe science morning, the children used microscopes, magnets, voltmeters and acid amongst others to complete a number of small experiments.

We have focused on a range of reasoning and problem solving questions in maths this week. Working individually and in pairs, we discussed different ways of solving difficult problems.

During writing lessons, we have had a real emphasis on handwriting whilst revisiting our explanation work based on The Creakers.

Homework is back to normal this week. Maths homework is on MyMaths (adding and subtracting decimals) and spelling homework is based on ten spellings from the Year 5 and Year 6 spelling list.

Have a great weekend,

The Year 5 Team.

YEAR 6 MESSAGES

...What a busy and exciting week it has been for Year 6! The children have been working incredibly hard rehearsing for Wannabe, using the technical equipment to bring the performance to life. It's all coming together brilliantly, and we can't wait for you to see it!

On Wednesday, the children visited their new secondary schools. They returned full of enthusiasm, sharing lots of great things about their visits, it's lovely to see them feeling excited and confident about their next steps.

A reminder that we will be holding our dress/ technical rehearsal on Tuesday 8th July. Please ensure that costumes are in school by then, in a labelled bag.

We're also looking forward to our special treat trip next Thursday, which we know the children are very excited about!

For homework this week, the children have been asked to continue practising their songs, lines and cues for the play. Have a lovely weekend!

THE SCHOOL HOUSE MESSAGES

We have had another brilliant week in the School House.

The highlight of our week was presenting our published non chronological reports in assembly. We gave advice to the whole school about how they can protect our coasts and look after coastal wildlife. We also met our new year group teachers!

Have a lovely weekend everyone,

School House Team.

Summer Reading Challenge launches 12 July!

Over the summer children are encouraged to read/share six books of their choice. There are stickers to keep them motivated, and fun activity sheets and character hunts in libraries to complete, and a medal and certificate for all who finish by Saturday 13 September.

All participants will be entered into our weekly summer prize draws and we have some fantastic family tickets up for grabs – including tickets to York Maze, Cinderella at The Grand Opera House, Aqua Splash, Roller Skating, Clip 'n' Climb, and Wonderlab!

Children who are read to or read regularly are more likely to thrive and not just academically. They gain better emotional wellbeing, increased confidence, reduced stress, and a greater imagination! And it's not just the children who benefit – curling up with a good book gives adults chance to slow down, relax, and take a break from the world.

To sign up to the Summer Reading Challenge or to join your library just pop into your nearest branch – it's free, simple, and everyone is welcome.

Supporting Children with Early Communication Skills

What is communication?

What helps children make sense of spoken language?

How does typical speech, language and communication develop?

When should I seek support for a child?

What strategies can I use when playing with a child to support their language development?

How does supporting language development link with the EYF5 framework?

This online training session explores the evidence-base around supporting children who are at an early stage of communication development and considers how early communication skills can be practically supported within the EYF5 framework.

This ***FREE*** training session is suitable for professionals who work in a **primary or early years** setting with children who are at an early stage of language development, across **York, Selby, Scarborough, Whitby and Ryedale**.
